

**21/06/2025**

The Hiring Manager,  
Mayerfeld Consulting,  
Lagos, Nigeria.

Dear Sir/Ma,

I am writing to express my interest in the Data Analysis Internship opportunity at Mayerfeld Consulting. With Basic Knowledge in data analysis, Python, and database administration/management, I am so eager to gain knowledge and grow within a team that values insight-driven solutions.

Graduating at the top of my department, I've built a reputation for being diligent, goal-oriented, and highly committed to learning. I am sure my outstanding communication skills and fluency in English would be a plus to your team. My strong organizational skills and attention to details allows me to approach data tasks with precision and care.

I am particularly inspired by Mayerfeld Consulting's commitment to crafting forward-thinking strategies and giving data driven insights which aligns perfectly with my passion for analytical thinking and impactful problem solving.

Thank you for considering my application. it would be my outmost pleasure if I am considered to learn and work alongside such great minds. I look forward to the possibility of joining your team and contributing to meaningful data projects.

**Sincerely,**

**Wilcox Priscillia**
